DEDICATION

Senior Class History

AH-H! At last we're seniors. Dignified, honored, awesome seniors, with lots of time to do everything. No tests, no studies, nothing to worry about.

Everything has changed since we've started though. Very few of us have gone all twelve years here. There are only three, Roy Prevett, Sharon Igleheart, and Jimmy York.
Bobbie Stone has gone all but one-half year to Paden and Gayle Case has been going here for eleven years.
Anna Jane Lohman started to elementary school at McLoud, Oklahoma and is finishing at Paden.
Lavon Middleton and Betty Novotny started to school at Garden Grove and are finishing high school at Paden.
Barbara and Agnes Opela entered elementary school at Edmond. They are finishing high school at Paden.
Julia Haley entered elementary school at Davenport. She is finishing high school at Paden.
Rose Vanzant started her school work at Vanzant. She came to Paden in the fourth grade and with some effort will finish school this year.
Margid Dawson Harris entered school at Garden Grove and is hoping to finish at Paden this year.
J. D. Stastny entered elementary school at Pettiquah elementary school. He is finishing high school here this year.
Don McKay started his school work at Okemah. He is finishing at Paden.
Sam Fipps started to elementary school at Midway Grade and is finishing at Paden.
Ovonual Allen entered Paden Grade School in the 3rd. grade and has been here since.
Bobby Wilson started to elementary school at Micawber, Oklahoma. He is finishing high school here at Paden.
Martin Davis entered Paden High School as a Junior and has been here since.

We have all been together for our 4 years of high school. We are all friends and work our problems out for the advantage of the class as a whole. We all work together and try to make our class better. Mr. Holman has been our class sponsor for 4 years. He has helped us with our Junior and Senior plays and our parties and banquet.

When we were Freshmen, we were all scared to death. The seniors all looked so big and smart, and we felt so little and dumb. The Sophmores initiated us and everyone called us greenhorns. When we were Sophmores and Juniors we still looked up to the Seniors with envy. And now that we are Seniors, we don't feel as big and smart as Seniors always looked to us. We have had our Senior Play, which was a lot of fun and we are making an annual, that is a lot of work, but it is fun.

We are all very proud and happy with our high school years, and we don't regret that we are finishing.
